

Shreya S V

Information Science student with hands-on experience in full-stack development using Java, Spring Boot, and MySQL. Skilled in building secure REST APIs and integrating AI solutions. Passionate about applying technical expertise and problem-solving in real-world projects.

Projects

Logistics and Fleet Management

- Designed and developed a fleet management system using MySQL + JDBC
- Implemented modules for driver assignments, route tracking, trip records, and vehicle maintenance
- Automated basic scheduling to reduce manual effort and improve efficiency

Real-Time AI Chat App

- Created a real-time chat app using WebSocket for instant communication.
- Integrated Google Gemini API for AI-powered response

Educational Background

The National Institute of Engineering, Mysuru

B.E in Information Science and Engineering
Graduating in 2027
CGPA - 8.1

Aurobindo PU College, Shivamogga

PCMB
2021-2023
Percentage:94%

Certification

- Introduction to DevOps
- Object Oriented Programming in Java

Skills

Programming Languages

- C
- Java
- JavaScript
- MySQL
- Python

Frameworks & Libraries

- Bootstrap
- Tailwind CSS
- Hibernate/JPA
- Spring Boot
- Spring AI
- React JS (basics)

Tools & Platforms

- Git, GitHub
- Postman, Swagger UI
- IntelliJ IDEA, VS Code

Foundational Knowledge:

- Database Management Systems (DBMS)
- Operating Systems (OS)
- Object-Oriented Programming (OOPs)

Languages

- English
- Kannada
- Hindi
